

Summer Saturdays 2017 Reports and Results

Event 1 - 7 Jan 2017

Harrington Park West – Neville and Lyn organisers

Neville's report - What a Beautiful Evening to Run.

The first of SHOO's Summer Saturdays Orienteering events drew quite a crowd. Both old hands and newbies turned up.

A pleasant afternoon by the lake was a good way for lots of families to enjoy some orienteering. The Easy Course was popular, with some challenges, but not too many. We nearly ran out of maps for that one!

The missing fence opening turned out to be not too much of a problem on the Score Course, and the chance for a bit of sort of bush running attracted most of the experienced runners up the hill. Not for the first time, Harrington Park offered new water hazards.... one possible control site was underwater! Glad we didn't use that one, eh.

Thanks to Sandie for her photos, and to the whole SHOO team for helping where needed.

Event 2 - 14 Jan 2017

Mowbray Park – Sue and Paul Davis organisers

Sue's report – A real scorcher.

The weather provided a scorching evening but 31 entrants were still able to enjoy the undulating and varied terrain of Mowbray Park farm.

Huge thanks goes to Blair Briggs and his staff who allowed us to use the farm for our event.

We welcomed some new comers who gave impressive performances, such as Judith and Neil Hannan, and Tony Hunt. Tony found all the controls in the score event and was well under time in 33 minutes. The Sheddens made a return for the new year. Angus showed his speed had not diminished and finished in an impressive time of 23 minutes complete with an altercation with a cow- pat!

Many thanks to club members who left their run until later while they helped new people familiarise themselves with the sport. Another huge thanks goes to Michael Davis who helped put out controls with Paul (when the heat of the day was most fierce!) and also helped collect after the event. We are most grateful to others who also assisted with collecting controls, Neville, Lyn, Nichole and Dean. Setter and organisers are much appreciative of this support!

The evening closed with a very relaxing barbeque and fellowship enjoyed by the club members.

William Howe Reserve – Dean Williamson and Ben Cummins organisers

Report – Amazing turnout.

There were 60 runners for this event in the bush

Angus Shedden had an amazing run getting all 300 points with Tony Hunt on his heels. Ruth Shedden leads the Womens Score with Luca Squires close behind.

Debbie Peck was a clear leader in W Easy with newcomers Harry Elton and Joel Heyward out in front in the Mens Easy.

Well done all of you.

Event 4 - 28 Jan 2017

Camden Riverside South – Luca and David Squires organisers

Luca and David's report – Hot again.

Summer stats #4 was a great success last weekend with over 30 people turning up to run in the scorching weather, which was well over the expected temperature.

We have learnt a lot in setting this course and are (in hindsight) and very grateful for the opportunity. We would like to thank those who helped us with the setting and preparation of this course.

Well done to Dean and Angus who managed to pick up all of the controls, even though Angus felt like he was running through porridge. We would also like to acknowledge Dean, Rob Prentice, Stephan, Angus, Brian, Dave, Peter and Rhiannon who traversed the creek from 10-15 or back. To those who found 4, WELL DONE, (it was hidden on the fence).

Well done!!!

Event 5 – 4 Feb 2017

Antill View, Picton Botanic Gardens – Natt and Kristie Carroll organisers

Natt's report – Seriously, a wedding on!

We began with another scorching hot day and lots of people showing up. The car park was packed with wedding guests which made it a lot harder to unpack supplies. There were a few new faces and we hope that they enjoyed the courses we set.

The Men's and Women's score course was quite popular with Angus Shedden taking out all controls with just less than 8 minutes to spare in the Men's. Ruth Shedden only missing a few controls, came in with a good finish to win the Women's.

We hope that everyone had a lot of fun and a great day. Sorry about the hills Stephan!

Thanks so much to everyone who helped collect controls and to Peter and Lyn who helped make setting the courses a lot easier for us.

Event 6 – 11 Feb 2017

Harrington Grove – Garry and Sandra Stewart organisers

Garry's report – We survived! Just.

What a day to have an orienteering event. Record temperatures throughout NSW and a record for Camden in February.

But the hardy few who turned up were very sensible and ran within themselves – either because they realised it was not a good idea to overdo it or they “hit the wall” (Ben). We also took steps to help by providing ice packs and the good folk at the Harrington Grove Country Club not only provided great shade trees but also a bucket of ice water – much appreciated.

The conditions were reflected in the results with no-one able to collect all 20 controls. Angus came closest with 250 points out of a possible 300. Next were Steve and Dean with 200 points but Steve had a shorter time so takes the 2nd place.

In the women's Score Ruth came in with a creditable 190 points with Corinne close behind. The Easy course was taken out by Rory.

A huge thankyou to those who went out and collected the controls – it was still 40° at 7:30! Thankfully most of the controls were adjacent to roads.

Event 7 – 18 Feb 2017

Camden Town Farm – Peter Meyer organiser (assisted by Neville and Ben)

Peter's report – Thunderstorms all around.

While thunderstorms were reported to be causing havoc nearby, the weather at Camden for the final SHOO Summer Sats event was almost ideal for running. It was cool and the threatened rain held off until the last runner was in and all controls collected.

Angus Shedden again took out the Men's Score event picking up all controls (300 points) with a full seven minutes to spare. Steve Cooper was next on 270 and it was left to the last starter, Robert Herkes from GO, to challenge these results. He could not quite do it and also finish on 270.

Ruth Shedden took out the Women's Score with an excellent total of 270 points. Salme Fuller from IKO survived an encounter with cattle in the Town Farm to be runner up on 230 with third placing a tie between Abby and Demi McSmith and Judy and Neil Hannan on 200. Judy is Mayor of Wollondilly Shire and has been very supportive of this series.

In the Men's Easy Jai Cooper flew around the 1.9 km course in a touch under 12 minutes. Nat Carroll and Ellis Squires filled the other places.

French visitors Chloe and Monon Gaucher, cousins of Rory and Euan Shedden, took out the Women's Easy from Ailie Carroll and Briannon and Keelan McAuliffe.

Thanks go to:

Lyn who organised the assembly area and prize giving, Ben who took the entries and Nev who manned the computer and finish.

Steve Cooper for picking up all the controls in the Town Farm area and Ron, Gail, Garry, Sandra and the Carrolls for picking up those in the Equestrian and Oval areas.

Steve again for organising access to the Town Farm.
