

Summer Saturdays 2018 Reports and Results

Event 1 - 13 Jan 2018

Harrington Park South – Neville and Lyn organisers

Lyn's report – Re-mapped Harrington Park South.

After a hot day, the thermometer dropped to a comfortable running temperature. The new Harrington Park map provided a number of challenges in the bush for many of the Score runners. Keeping in touch with the map through the maze of bike tracks and a number of unmapped tracks disappearing into the Creek proved to be essential.

The runners on the Easy course enjoyed their run through the bush including crossing the creek on stepping stones.

Welcome to first timers Nicole, Julie, Gavin, Flynn, Matilda and Ken. And a special welcome to new club member Tuve who is making a new map for SHOO.

Thanks to all the SHOO helpers.

See you next week at Picton.

Event 2 - 20 Jan 2018

Antill View (Picton Botanic Gardens) – The Carrolls organisers

Kristie & Nat's report

Another hot day with the addition of some smoke made for interesting running conditions. The smoke arrived just in time for the start and miraculously disappeared at the end of the event. Whilst most thought the smoke was from the bushfires at the Royal National Park, another theory is that it was coming off the shoes of the orienteers as they sped around the Picton Botanic Gardens!

There were a couple of new areas on the map - including the new bridge and dog park, and a creek crossing on the south end of the map.

Two 'score' runners took part without a watch to track their 45 minutes (maybe an idea for a new category) and it was interesting that both runners thought they had been out on the course for much longer than they had.

The kids enjoyed a run and then joined in a game of frisbee and soccer to end the night.

Thanks to everyone for their assistance including some none club members who also helped collect the controls. Also to our family and friends who came along, and special thanks to Martyn and Ailie for helping out with all aspects of the event.

Next week's event is at Macarthur Park, Menangle Road, Camden. See you there!
